BLUEBELL DAYS

DOGS ON LEADS WELCOME

Welcome to award-winning Hartland Abbey with its beautiful gardens and woodland walks leading to the sea. Founded by Augustinian monks in 1157 in a beautiful valley leading to a wild Atlantic cove, the Abbey survived longer than any monastery in England; Henry VIII gifted it to the Sergeant of his Wine Cellar whose descendants live here today in this welcoming, lived-in family home, only a mile from Hartland Quay.

Experience the heritage, history, fascinating interiors, family memorabilia, gardens and beautiful walks in the clean Atlantic air. Good traditional fun for children - the Quiz, The Nature Trail, woodland paths, gardens and parkland where peacocks, black sheep and donkeys roam. A popular film location, BBC's 'Sense and Sensibility', The Antiques

Roadshow, 'The Night Manager', 'Gold Digger', Rosamunde Pilcher's 'The Shell Seekers', 'The Guernsey Literary and Potato Peel Pie Society', 'Rebecca' and CBBC 'Malory Towers' were all filmed here recently.

Eat in the friendly Old Kitchens Tea Room where delicious homemade light lunches, cream teas and hot drinks are served from 11-5pm.

Enjoy pictures, furniture and porcelain collected over generations; portraits by Reynolds, Gainsborough, Hudson, Ramsay and Kneller; the huge circular, expanding table by Jupe; furniture by Hepplewhite and Chippendale; embroidery; stunning architecture including the Alhambra Corridor by Sir George Gilbert Scott; murals of family involvement in mediaeval history; Victorian and Edwardian photographs from family albums of the Sudan Campaign and contemporary social scenes. The Museum displays seals, documents from 1160AD and intriguing memorabilia. The Abbey Shop sells a lovely range of gifts and cards.

Walk under a huge tree rhododendron to woodland gardens of camellias, azaleas and hydrangeas, the Gertrude Jekyll designed Bog Garden, Fernery and enchanting 18thC Walled Gardens. After years of neglect visitors can experience these romantic gardens as they were a century ago; tulips, spring bulbs, mixed borders, roses, tender and rare plants, organically grown vegetables and fruit flourish within the mellow walls and glasshouses. Visit the restored Summerhouse and Gazebo, the beach and Blackpool Mill Cottage; explore newly discovered paths through bluebells and wildflowers in spring. Or just sit in the sun and relax...

NEW MUSEUM DISPLAYS FOR 2020: 'Falconry by The Hon Gerald Lascelles' and 'A Victorian Honeymoon'.
